Dan:

Subject: Contract No. LW-473

Enclosed please find our Invoice No. 13185, which is a billing for the Engineer "A" category at the rate negotiated during our visit in late October.

Also enclosed please find our Invoice No. 13203, which covers the G & A expense on travel for the period ending 30 June 1958 on subject contract. We realize this invoice requires that additional funds be added to this contract for this period; however, we thought that we would submit it in order that this contract could be wound up for the period ending 30 June 1958.
